Dimensions 66 x 78

**Fabric requirements -** Note: Fabric requirements shown allow for minimal mistakes

**WOF = Width of Fabric**

Border Fabric - 2 yds - Can be as colorful and large a print as you desire. Yardage is for length of fabric cuts and allows enough for binding.

Background - 2 3/4 yds - should be either light or dark - make sure it has sufficient contrast from border and other fabrics for best affect.

Remaining fabrics will need to be a tone that contrasts with the background you choose

Fabric A 2/3 yd - Medium print OK -

Fabric B 5/8 yd - small print OK

Fabric C 1/2 yd - small print OK but should read as a solid and contrast but compliment Fabric B

Fabric D 1/3 yd - Small print OK

The remaining fabrics only require 1 or 2 WOF strips. An 1/8 or Fat Eight of each. For best results use all different colors or try to follow the recommended color family groups for best dispersement of color. None of these should be the same or same color as Fabric C or D

Fabric E }
